Year-end Event Details

BATCH 38

is a special transition batch that **closes 2025** and **opens 2026**. It offers a **complete set of classes** across all levels, designed for students who want to start the year with clarity and structure. With a limited special price, this batch is ideal for those who want to plan their study direction and enter the new year with a clear, guided plan and certified teachers.

2026 KOGO PASS

is a smart way to secure your Korean learning for 2026 at the **lowest guaranteed price**. It allows you to book classes early based on your availability, with priority access to future schedules. The pass is **flexible** and **refundable** in November–December 2026, and comes with a complimentary study planner and learning kit, making it a low-risk, long-term commitment.

2026 PACKAGE

is a fully guided learning path recommended by KOGO for students who want a **clear direction** throughout 2026 and beyond. **Combining Batch 38 and KOGO Pass**, this package maps out your progress based on your goals, whether it's TOPIK preparation, fluency, or strengthening grammar, complete with a clear timeline that can extend all the way to 2027.

Available to book on website from **December 25, 2025**

Early bird : Dec 25 ~ 31, 2025

BOOK BATCH 38

Prepare 2026 properly with KOGO Studio

PT KOGO STUDIO INDONESIA

www.koreanglobalstudio.com

@kogostudio.id

Q : Why is Batch 38 different from regular batches?

Batch 38 is a transition batch. Instead of focusing on one short-term goal, it helps students with their study foundation and build momentum for the year ahead. It also **offers a special price that won't be repeated in future batches**.

Q: Is there a minimum number of students per class? What happens if it's not met?

Yes, each class requires a minimum of 5 students. If the number falls below this, we will discuss the available options with enrolled students, including whether they are willing to proceed with adjustments. A full refund will always be one of the options provided.

Q: Will class recordings be provided?

Due to privacy considerations, recordings depend on the mutual consent of both the teacher and all students in the class. If everyone agrees, recordings may be shared. Please note that recordings are not a standard feature of our classes and are not guaranteed.

Q: Will the presentation slides (PPT) be shared?

No. Presentation slides are the teacher's personal intellectual property and are protected by copyright. Instead, students will receive printed textbooks as the main learning material.

Q: What if I have to stop attending classes midway due to personal reasons?

If you experience any difficulties or concerns, please communicate them to KOGO class coordinator. The coordinator and our team will support you as much as possible. However, please note that our classes require commitment, and payments are non-refundable once the program has started.

KOGO PASS

FAQ

Q : What is KOGO Pass?

KOGO Pass is an early-access pass that allows you to secure your Korean learning plans for 2026 at the lowest guaranteed price, while keeping flexibility in choosing classes that match your schedule.

Q : What are the main benefits of KOGO Pass?

With KOGO Pass, you receive the lowest guaranteed pricing for 2026 classes, priority access to bookings before public registration, and the freedom to select classes when the schedule fits you best. Not to mention you will get KOGO exclusive planner by Keartas studio :)

Q : Is KOGO Pass refundable if I can not find the right schedule?

Yes. KOGO Pass is refundable during November–December 2026 if you can not find the schedule you wish. Yet, we can not proceed refund before November.

Q: Does KOGO Pass guarantee class availability?

KOGO Pass provides priority access to booking, not automatic placement. Class availability still depends on schedule compatibility and minimum class requirements.

Q: Can KOGO Pass be combined with other KOGO programs?

Yes. KOGO Pass is often combined with Batch 38 classes or '2026 Package' might suitable for students who want a structured, long-term learning path with TOPIK goal.

2026 PACKAGE

FAQ

Q: What is the 2026 Package?

The 2026 Package is a fully guided learning pathway recommended by KOGO to support students to achieve their TOPIK goal throughout 2026 and beyond. It combines Batch 38 and the KOGO Pass into a clear, goal-oriented plan based on each student's learning objectives.

Q: Is the learning timeline fixed?

We will try our best to follow the schedule in Batch 38 so the students can easily continue the class based on our recommended path, except for TOPIK II classes. TOPIK II classes are held on weekends only, and the specific day and time may vary. Please take this to your schedule consideration.

Q: Do I need to follow this journey? Can I create my own path?

No, this journey is not mandatory. This package is designed for students who want a structured and guided path to achieve their TOPIK goals (TOPIK I or II), based on our recommended learning framework.

However, we understand that every student has different needs and objectives. You are welcome to create your own learning journey, and our team will be happy to advise and recommend the most suitable path for you. Please contact our customer service for personalized guidance.

Q: Do I need to purchase Batch 38 and KOGO PASS separately?

We do recommend you to do so for the safest payment option. Yet our team can assist you in arranging and purchasing the package that best fits your needs. Please contact our customer service for further assistance.

Q: Can I change my goal midway?

Yes. Students may discuss changes in learning goals with KOGO class coordinator and our team, and adjustments can be recommended based on availability and feasibility.

GENERAL FAQ

Q: Does KOGO guarantee TOPIK scores or fluency?

No. While we offer packages with clear structure and expert guidance, learning outcomes depend on individual commitment and progress. Specific test results or fluency levels are not guaranteed.

Q: Can I use a student promo code?

Yes, you can. Please note that 2025 student promo codes are valid only until December 31. Promo codes for 2026 will have different terms and conditions. We strongly recommend using your student promo code before December 31 to avoid any inconvenience.

Q: Can I request other payment methods?

Yes. We offer payment methods other than Xendit. Please contact our customer service for assistance. However, we still recommend using our website and Xendit as the safest transaction option.

Q: Can I pay in another currency?

We currently accept KRW, USD, and IDR. For other currencies, we recommend paying by credit card in IDR, as it is the safest option. The final amount will follow your bank's exchange rate at the time of transaction.

Q: I live far away. Can I still receive the physical books?

Yes. We offer international shipping from Korea. Please note that we cover up to 8,000 KRW of the shipping fee. Any remaining shipping costs, additional services, or taxes will be the student's responsibility.

Q: Are all Kogo teachers equal in terms of quality?

Yes. All KOGO Native teachers are government-certified Korean language teachers for foreign learners. In addition, each teacher goes through a strict internal audit to ensure they meet KOGO's teaching standards.
